OFFERS
THE SOLUTION TO
AFRICAN AMERICAN UNITY,
POWER & PROSPERITY**

Ancient Kemet (Egypt) was the flagship of African Civilization - Using The Kemetic System - Model our Ancestors created civilizations throughout Africa and the ancient world - Sumer (Asia Minor), Harappa (India), Shang (China), Olmec (Mesoamerica) - that endured for more than 5,000 years.

Today we have The Solution for ending our oppression (including racism, poverty, and disunity) and for realizing our vision – a better world for African People. Today we can regenerate the Kemetic System-Model for establishing: Abundance and Prosperity; The Just Society; Optimal Living; and African-centered Spirituality to resolve our issues and our vision.

Ta-Nefer Ankh – The Kemetic Way Of Life and Community – invites you to join in The Solution

If you would come out to hear The Solution from Hon. Marcus Garvey, Hon. Malcolm X, and Hon. Dr. Martin Luther King, then you should come to hear The Solution presented by Seba, Heru-Ka Anu (Conveyor of KemetWay – the contemporary Kemetic Way Of Life), Leader of Ta-Nefer Ankh and the Kemetic Council.

Whether you are African-centered, a Black Power Advocate, a Race Conscious Person, or a person committed to the health and wellbeing of African American people this presentation is for you.
